Hunter Hall School, Cumbria Primary Schools' Cross Country Championships

What another fantastic afternoon of cross country!

Our brilliant cross country team stepped up to their next challenge at Hunter Hall, Penrith. Taking on a difficult route, I was delighted at the performances our 7 qualifying runners. It was a reflection of the commitment and hard work that the children put in, in preparation for the event.

A special well done to Hattie, who came 13th in her Year 5 girls race, and to Ben, who came 15th in his Year 6 boys race. Hattie and Ben are on the reserve list, and if called, will be asked to represent Cumbria in the National Schools Cross Country Championships in Leicestershire. Well done!
