## Safety.

May I take this opportunity to remind you that the car parks in the school grounds are not suitable for the children to run around in. Some staff have experienced some damage to their cars whilst parked there. Please do not let your children run around in these areas.

The barrier to the car park has also been damaged. Please ensure your child does not climb on or run under the barrier.

There have been a few neighbours who have complained to us about the ongoing parking issues. Please be considerate when deciding where to park. Please obey the yellow zigzags and double yellow lines. They are there to keep everyone safe!
